## "I AM" LIGHT AND PICTURES IN THE BRAIN

*The Cosmic Moment has struck, Beloved Ones in America, when the Ascended Masters call you to Victory and Freedom in the Light! In this explanation of the Ascended Masters' Instruction of the "Mighty I AM Presence," we bring to you the Power of Light and how to direct It. We want the people of America to know that we have made experiments with physical machines and have physical photographs of the Light within the brain—within the entire brain structure, within various portions of the body, and within the pineal gland. Such activities are proof beyond any shadow of a doubt of the Law of the Ascended Masters. In the case of one individual, shortly before passing through so-called death, within the Stream of Light in the pineal gland were the pictures of the three loved ones of that individual—two ladies and a child.*

*Just before going back to New York, Mr. Ballard and I had pictures taken of the light within our own brain structures during our Calls to the "Presence." I want you to know, we have this physical, mechanical record; and it shows the shape of the thought forms and the feeling and energy impulse that was sent up to the "Presence." In my own case, when the photograph was taken, I held the consciousness of Love and Adoration to my own "Mighty I AM Presence." When the plate was developed, there was a large heart with the point upward within the pineal gland; and the brain area in the central portion of the brain was blazing Light. When the photograph of Mr. Ballard's brain was developed—I had said to him previously, "What are you going to do?" He said, "I will just let my 'Presence' do that which It wishes to do through me"—and in that picture there was a great impulse, an Outpouring of Divine Love from the Heart of his own "Presence" down through the brain structure which was blazing with Light.*

*Now are we dealing with Reality or not? We have the physical, mechanical records of these pictures—the forms and the energy impulses within the Light which flows through the nerves as blood flows through the veins. We have the mechanical evidence to prove it; therefore, we are not talking of imaginary things. The Ascended Masters' Law of the "Mighty I AM Presence" is based on energy, vibration, and Light. Therefore it behooves mankind to awaken and realize that humanity must come into obedience to the Light or be dissolved by It, because there is nothing that can be hidden in the Life Stream of the individual where these photographs are taken—by the Light within that one's own body.*

*It is just the same law you have in the radio, the telephone, and the electric light. You sometimes think you can hold*

*something in secret. You think you have feelings and thoughts that no one else knows anything about. I beg your pardon: the moment you send out a thought or feeling, it immediately creates a certain rate of vibration in the atmosphere around you; and if there is much feeling back of it, it is projected instantly to the one of whom you are thinking. Anyone can tune into and see your thought forms and feelings. One can observe the whole process as easily as you can see your own hand before your face.*

*All of this is done by the use of the Ascended Masters' Light Rays. The feelings travel in the same way except that the energy impulse creates a certain color and vortex like a whirlwind—the color indicating the quality and feeling sent forth. It is all very well when things are constructive, but do not forget that there are those individuals who think they can project destructive thoughts and feelings and not be caught. But you, the Children of the Light, are never at the mercy of those destructive forces if you understand the Law of the "Mighty I AM" and learn the Projection of the Ascended Masters' Light Rays. You can convey thoughts and feeling wholly insulated in a Tube of Light into which no destructive force dare pass.*

*That is why the individual who serves the constructive way of Life is never at the mercy of destructive forces. It makes no difference whether it be projected to someone nearby or halfway around the world; this Inner Ascended Master Light travels instantly. If there are those you wish to assist whose ideals are constructive, you can learn to project from your own Heart the Tube of Golden-white Light—white in the center, insulated in gold—as though you were connected by a Tunnel of Light with the one to whom you are sending the good. Within that Tube of Ascended Master Light,*

*send your Command for their Ascended Master Protection and Perfection—for their Assistance, Supply, and Help.*

*Visualize that which you desire for them in a Tube of Light, and It will go to Its destination as directly as a radio program comes over the air. Beloved Ones, the destructive forces are at the mercy of the Powers of Light; for were an individual with selfish or dishonest intent to attempt to find out or contact that Tube of Light, this Ascended Master Light would consume the intent of the individual instantly, and would return his own wrong motive upon him. The energy would become purified as it passed through the Ascended Master's Light Ray and would hold Protection and Perfection for that which was constructive. That is why the Ascended Masters have said to us repeatedly: the individual who does wrong even out of self-defense, ought to stop and learn obedience to the Law; for by the Action of Life, Light, and Energy, he who understands the Ascended Masters' Law of the Projection of the Light Rays and the use of the Almighty Words "I AM" is never at the mercy of any destructive force.*

*Therefore, will you, Beloved Friends of America, learn to call the "Mighty I AM" and the Ascended Masters' Light Rays into action everywhere to go to their destination and to send the Help America needs. If you will do that, you can give Assistance with which no destructive force on the face of the Earth dare interfere; for to do so means their own annihilation. It is because of this that Saint Germain has said to us repeatedly, " 'I AM' here! and 'I AM' there! and 'I AM' everywhere!"—because "I AM" Life; and Life is constantly filling and surrounding you. You are Life and Life knows all about you, and you deal with Life every instant of Eternity.*

*Therefore, in the Ascended Masters' Understanding of*

*the projection of the Light Rays at your Call to the "Mighty I AM" and the Ascended Masters, you have All-power at your Command to connect secretly with any constructive individual, any constructive force on the planet, by the use and Power of Light. And those who do not serve the Light dare not use your weapons. The sinister force and the destructive impulses within mankind may use energy. They may use power, but they dare not handle Light nor Love. Since Light is the most concentrated Power in the Universe, then there is only one Master throughout Infinity; and that is Light—L-I-G-H-T. Will you, therefore, please use the Scepter of Dominion that is being offered you on a golden platter as free as the air you breathe; for this Help is going forth as a Glad Free Gift of Love from the Ascended Masters to the people of Earth. We have never asked for a dime nor a student list and never will. We give all and ask nothing in return. We assist you to be loyal to your own Life, that you may have Happiness, Perfection, and permanent Peace. Will you not awaken and use the same great Blessing and offer It to all mankind, or do you wish to go down under the destructive impulses of the outer world because you will not arouse yourself and turn to serve Life with all the Love at your Command?*

*Again we come to the use of Light—the Ascended Masters' Light Rays and Light Substance. Why do you suppose you go to sleep at night? In order to let the body lay undisturbed long enough for the Light Substance and energy from the Heart of your own "Mighty I AM Presence" to flow in through the pineal gland, through the nerves of your body, and release Its Radiation—which is the energy you use every waking moment in your physical outer life. It is yours for the taking! Don't you realize that Life offers you everything*

*and asks so little in return? It only asks harmony in your feeling in order to let the Light flow through which contains all good things to bless you. It only asks harmony in your feelings, obedience to your Life and your "Presence."*

*You cannot, Beloved Ones, live an isolated existence wholly interested in yourself and ever have Happiness, Harmony, nor Perfection, because Life does not act that way. Life is the great Giver of Existence and is centrifugal force. It is activity, perpetual motion from inside out. Everything that is the giving consciousness of Life is the Expansion of Light and Perfection from within your own Heart. That is the Anchorage of Life in your own physical bodies. Everything of the Divine gives, and everything of the human receives. The Flow of Light must act without interruption in order to keep the spiral activity rising into the Octave of the Ascended Masters. Therefore will you, O Beloved People of America, realize we must at this time call forth a Power greater than anything you have ever known in the past and release It into your Country for the correction of the conditions that distress you. If you do not love your America enough, you will be in the same condition that Spain is in today.*

*The Ascended Masters do not talk to hear Themselves; neither do we. We have worked for almost four years, twenty hours a day, showing the American people how they could use this Power to help themselves and not be interfered with by any destructive force in the outer world. You, through the power of fear, have accepted the limitations you are in today. Therefore, rise out of your fear! Look it square in the face and call your "Mighty I AM Presence" to project a Ray of Light into the middle of it and annihilate it from existence. Then you walk forth Victorious by the Power of Light, Master of circumstance, Defender of America, Victor*

*by the Power of Light which will set your fellowman free and lift all into the great, great Freedom which their Eternal Happiness and Power of Light is; for*

*"The Light of God Never Fails!"*
*"The Light of God Never Fails!"*
*"The Light of God Never Fails!"*

*And the "Mighty I AM Presence" is that Light!*
